# TURNTABLES

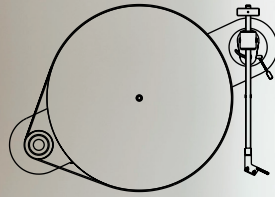

**NEW!**

## **Debut Carbon EVO**

Time for Evolution!

> [Page 30](#)

## Minimalism meets outstanding sound quality

With the Elemental Line we are aiming for turntables with the lowest possible material expenses without making compromises in sound quality.

## Elemental

Audiophile plug&play turntable.

<b>Cartridge</b> Ortofon OM 5E Elliptical stylus	<b>Tonearm</b> 8,6", aluminium Saphire bearing	<b>Drive Principle</b> Belt drive on platter	<b>Speed</b> 33/45 RPM Manual change
<b>Chassis and Platter</b> Veneered particle board Central mass point made from concrete	<b>Output</b> Phono out Pre mounted RCA cable	<b>Included Items</b> Felt mat, power supply, RCA cable	<b>Size and Weight</b> 415 x 90 x 300 mm (WxHxD) 2.7 kg (net)

**Colour Options**    Matt white, grey, red: 199 €

## VT-E

Vertical turntable with easiest possible vertical set-up including wall-mount option!

<b>Cartridge</b> Ortofon OM 5E Elliptical stylus	<b>Tonearm</b> 8,6", one-piece alu, saphire bearings	<b>Drive Principle</b> Belt drive on platter	<b>Speed</b> 33/45 RPM Electronic change
<b>Chassis and Platter</b> Veneered particle board Left „L“ or „R“ right- handed version	<b>Output</b> Phono out	<b>Included Items</b> Record clamp, felt mat, power supply, Connect it E	<b>Size and Weight</b> 430 x 345 x 245 mm (WxHxD) 2.8 kg (net)

**Colour Options**    Matt white, black, red: 349 €

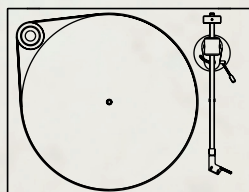

## VT-E BT

Vertical Bluetooth turntable with easiest possible vertical set-up including wall-mount option!

<b>Cartridge</b> Ortofon OM 10 Elliptical stylus	<b>Tonearm</b> 8,6", one-piece alu, saphire bearings	<b>Drive Principle</b> Belt drive on platter	<b>Speed</b> 33/45 RPM Manual change
<b>Chassis and Platter</b> Made from MDF/plywood Left „L“ or „R“ right- handed version	<b>Output</b> Line or Phono Bluetooth	<b>Included Items</b> Record clamp, felt mat, power supply, Connect it E	<b>Size and Weight</b> 415 x 345 x 245 mm (WxHxD) 2.8 kg (net)

**Colour Options**    High-Gloss white, black, red: 449 €

### **Perfect Turntable for vinyl-beginners**

The Primary Line offers excellent craftsmanship, high class components and wonderful sound. It is our traditional entry-level range and gives a qualitative high price-performance-ratio.

## Primary E

Audiophile plug&play turntable.

**Cartridge**

Ortofon OM  
Spherical stylus

**Tonearm**

8,6", aluminium  
Saphire bearing

**Drive Principle**

Belt-drive with  
synchronous motor

**Speed**

33/45 RPM  
Manual change

**Chassis and Platter**

Made of plywood

**Output**

Phono out  
Pre-mounted RCA  
cable

**Included Items**

Dust cover, felt mat,  
power supply,  
Connect it E

**Size and Weight**

420 x 112 x 330 mm  
(WxHxD)  
4.0 kg (net)

**Colour Options**

Matt white, black, red: 229 €

## Primary E Phono

Audiophile plug&play turntables with built in phono stage.

**Cartridge**

Ortofon OM  
Spherical stylus

**Tonearm**

8,6", aluminium  
Saphire bearing

**Drive Principle**

Belt-drive with  
synchronous motor

**Speed**

33/45 RPM  
Manual change

**Chassis and Platter**

Made of plywood

**Output**

Switchable Line/Phono  
Gold-plated contacts

**Included Items**

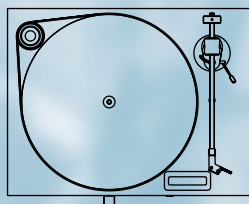

Dust cover, felt mat,  
power supply,  
Connect it E

**Size and Weight**

420 x 112 x 330 mm  
(WxHxD)  
4.0 kg (net)

**Colour Options**

Matt white, black, red: 279 €

## **Audiophile “All-in-one Plug & Play” Turntable system**

The Juke Box Line is the optimum solution with analogue and digital inputs, a power amplifier and true stereo sound built into the chassis of a great sounding turntable.

## Juke Box E

A turntable, phono stage, Bluetooth receiver, line pre-amplifier and power amplifier in one!

<b>Cartridge</b> Ortofon OM 5E Elliptical stylus	<b>Tonearm</b> 8,6", aluminium Sapphire bearing	<b>Drive Principle</b> Belt drive on platter Aluminium pulley	<b>Speed</b> 33/45 RPM Manual change
<b>Chassis and Platter</b> MDF and particle board High contrast display Potentiometer on front for controlling the unit	<b>Outputs</b> Speakers, Line out (fixed), Phono out	<b>Included Items</b> Dust Cover, Felt mat, Power supply, IR Remote, Connect it E (RCA cable),	<b>Size and Weight</b> 415 x 118 x 334 mm (WxHxD) 5 kg (net)
<b>Inputs</b> Bluetooth, 1x Line			

**Colour Options**    High-Gloss white, black, red: 499 €

## Juke Box E - Hifi Set

A complete set including a turntable, speakers, and cables.

<b>Juke Box E</b> A turntable, phono stage, Bluetooth receiver, line pre-amplifier and power amplifier in one!	<b>Speaker Box 5</b> Audiophile 2-way monitor speakers using bass reflex system. More infos on page 86.	<b>Damp it</b> Damping feet that effectively prevent transmission of unwanted vibrations.	<b>Cable Set</b> Speaker cable: Low distortion level, neutral sound
---	---	---	--

**Colour Options**    Glossy white, black, red: 799 €

## Juke Box S2

A premium turntable, phono stage, Bluetooth receiver, line pre-amplifier and power amplifier in one!

<b>Cartridge</b> Ortofon Pick it 25A Elliptical stylus	<b>Tonearm</b> 8,6", aluminium Sapphire bearing	<b>Drive Principle</b> Belt drive on platter Aluminium pulley	<b>Speed</b> 33/45 RPM Manual change
<b>Chassis and Platter</b> MDF and Acryl High contrast display Potentiometer on front for controlling the unit	<b>Outputs</b> Speakers, Line out (fixed), Phono out	<b>Included Items</b> Dust Cover, Felt mat, Power supply, IR Remote, Connect it E (RCA cable),	<b>Size and Weight</b> 415 x 118 x 334 mm (WxHxD) 5 kg (net)
<b>Inputs</b> Bluetooth, 1x Line			

**Colour Options**   Eucalyptus or Walnut: 699 €

## Juke Box S2 - Stereo Set

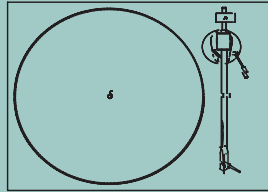

A complete set including a turntable, speakers, and cables.

<b>Juke Box S2</b> A turntable, phono stage, Bluetooth receiver, line pre-amplifier and power amplifier in one!	<b>Speaker Box 5 S2</b> Audiophile 2-way monitor speakers using bass reflex system. More infos on page 87.	<b>Damp it</b> Damping feet that effectively prevent transmission of unwanted vibrations.	<b>Cable Set</b> Speaker cable: Low distortion level, neutral sound
--	--	---	--

**Colour Options**   Eucalyptus or Walnut: 1.199 €

T LINE

---

## A New Generation of Turntables

The T1 is the first T Line turntable, aiming to deliver true high-fidelity sound on a limited budget.

## T1

Pushing Audiophile Design to a new Affordable Level.

<b>Cartridge</b> Ortofon OM 5E Elliptical stylus (MM)	<b>Tonearm</b> 8,6", one-piece aluminium, fast traction	<b>Drive Principle</b> Belt drive on sub-platter aluminium pulley	<b>Speed</b> 33/45 RPM manual change
<b>Chassis and Platter</b> Plywood (2.5cm thick) Blasted-glass platter (8mm thick)	<b>Output</b> Phono Out	<b>Included Items</b> Dust cover, felt mat, power supply, Connect it E	<b>Size and Weight</b> 415 x 100 x 335 mm (WxHxD) 3,8 kg (net)

**Colour Options**    299 €

## T1 Phono SB

Takes all of the features of the regular T1 and adds a line-level output and electronic speed control.

<b>Cartridge</b> Ortofon OM 5E Elliptical stylus (MM)	<b>Tonearm</b> 8,6", one-piece aluminium, fast traction	<b>Drive Principle</b> Belt drive on sub-platter aluminium pulley	<b>Speed</b> 33/45 RPM electronic change
<b>Chassis and Platter</b> Plywood (2.5cm thick) Blasted-glass platter (8mm thick)	<b>Output</b> Switchable Line or Phono	<b>Included Items</b> Dust cover, felt mat, power supply, Connect it E	<b>Size and Weight</b> 415 x 100 x 335 mm (WxHxD) 3,8 kg (net)

**Colour Options**    349 €

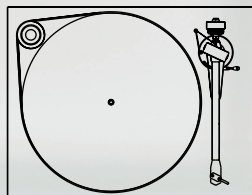

## T1 BT

Takes all of the features of the regular T1 and adds a line-level output and Bluetooth.

<b>Cartridge</b> Ortofon OM 5E Elliptical stylus (MM)	<b>Tonearm</b> 8,6", one-piece aluminium, fast traction	<b>Drive Principle</b> Belt drive on sub-platter aluminium pulley	<b>Speed</b> 33/45 RPM manual change
<b>Chassis and Platter</b> Plywood (2.5cm thick) Blasted-glass platter (8mm thick)	<b>Output</b> Switchable Line or Phono Bluetooth	<b>Included Items</b> Dust cover, felt mat, power supply, Connect it E	<b>Size and Weight</b> 415 x 100 x 335 mm (WxHxD) 3,8 kg (net)

**Colour Options**    379 €

## Find the perfect Turntable for your needs

The Essential III Flexi-Range is a family of turntables. All share their core DNA, but like in any good family, each member has its own strengths. Each Essential model comes equipped for the exact needs of the customer.

## Essential III

The audiophile entry-level turntable.

<b>Cartridge</b> Ortofon OM 10 Elliptical stylus	<b>Tonearm</b> 8,6", one-piece alu, saphire bearings	<b>Drive Principle</b> Belt drive on platter Aluminium pulley	<b>Speed</b> 33/45 RPM Manual change
<b>Chassis and Platter</b> Made of resonance in-sensitive MDF	<b>Output</b> Phono out pre-mounted RCA- cable Connect it E	<b>Included Items</b> Dust cover, felt mat, power supply, Connect it E	<b>Size and Weight</b> 415 x 95 x 330 mm (WxHxD) 5.0 kg (net)

**Colour Options**    High-Gloss white, black, red: 359 €  walnut: 399 €

## Essential III Phono

Takes all of the advantages of the regular Essential III and adds a line-level output.

<b>Cartridge</b> Ortofon OM 10 Elliptical stylus	<b>Tonearm</b> 8,6", one-piece alu, saphire bearings	<b>Drive Principle</b> Belt drive on platter Aluminium pulley	<b>Speed</b> 33/45 RPM Manual change
<b>Chassis and Platter</b> Made of resonance in-sensitive MDF	<b>Output</b> Switchable Line or Phono	<b>Included Items</b> Dust cover, felt mat, power supply, Connect it E	<b>Size and Weight</b> 415 x 95 x 330 mm (WxHxD) 5.0 kg (net)

**Colour Options**    High-Gloss white, black, red: 399 €  walnut: 449 €

## Essential III SB

Allows the listener to change speeds with the push of a single button.

<b>Cartridge</b> Ortofon OM 10 Elliptical stylus	<b>Tonearm</b> 8,6", one-piece alu, saphire bearings	<b>Drive Principle</b> Belt drive on platter Aluminium pulley	<b>Speed</b> 33/45 RPM Electronic change
<b>Chassis and Platter</b> Made of resonance in-sensitive MDF	<b>Output</b> Phono out	<b>Included Items</b> Dust cover, felt mat, power supply, Connect it E	<b>Size and Weight</b> 415 x 95 x 330 mm (WxHxD) 5.0 kg (net)

**Colour Options**    High-Gloss white, black, red: 379 €  walnut: 429 €

## Essential III Bluetooth

A modern high fidelity Bluetooth turntable.

<b>Cartridge</b> Ortofon OM 10 Elliptical stylus	<b>Tonearm</b> 8,6", one-piece alu, saphire bearings	<b>Drive Principle</b> Belt drive on platter Aluminium pulley	<b>Speed</b> 33/45 RPM Manual change
<b>Chassis and Platter</b> Made of resonance in-sensitive MDF	<b>Output</b> Switchable Line or Phono Bluetooth	<b>Included Items</b> Dust cover, felt mat, power supply, Connect it E	<b>Size and Weight</b> 415 x 95 x 330 mm (WxHxD) 5.0 kg (net)

**Colour Options**    High-Gloss white, black, red: 449 €  walnut: 499 €

## Essential III Digital

A perfect match to connect to a multi-room entertainment system or soundbar.

<b>Cartridge</b> Ortofon OM 10 Elliptical stylus	<b>Tonearm</b> 8,6", one-piece alu, saphire bearings	<b>Drive Principle</b> Belt drive on platter Aluminium pulley	<b>Speed</b> 33/45 RPM Manual change
<b>Chassis and Platter</b> Made of resonance in-sensitive MDF	<b>Outputs</b> Switchable Line or Phono Optical out	<b>Included Items</b> Dust cover, felt mat, power supply, Connect it E	<b>Size and Weight</b> 415 x 95 x 330 mm (WxHxD) 5.0 kg (net)

**Colour Options**    High-Gloss white, black, red: 449 €  walnut: 499 €

## Essential III RecordMaster

The turntable for listeners who want to digitize all of their records.

<b>Cartridge</b> Ortofon OM 10 Elliptical stylus	<b>Tonearm</b> 8,6", one-piece alu, saphire bearings	<b>Drive Principle</b> Belt drive on platter Aluminium pulley	<b>Speed</b> 33/45 RPM Manual change
<b>Chassis and Platter</b> Made of resonance in-sensitive MDF	<b>Outputs</b> Switchable Line or Phono USB out	<b>Included Items</b> Dust cover, felt mat, power supply, Connect it E	<b>Size and Weight</b> 415 x 95 x 330 mm (WxHxD) 5.0 kg (net)

**Colour Options**    High-Gloss white, black, red: 499 €  walnut: 549 €

## Essential III HP

The perfect partner if you want to enjoy your vinyl collection with headphones.

<b>Cartridge</b> Ortofon OM 10 Elliptical stylus	<b>Tonearm</b> 8,6", one-piece alu, saphire bearings	<b>Drive Principle</b> Belt drive on platter Aluminium pulley	<b>Speed</b> 33/45 RPM Electronic change
<b>Chassis and Platter</b> Made of resonance in-sensitive MDF	<b>Outputs</b> Switchable Line or Phono Headphone	<b>Included Items</b> Dust cover, felt mat, power supply, Connect it E	<b>Size and Weight</b> 415 x 95 x 330 mm (WxHxD) 5.0 kg (net)

**Colour Options**    High-Gloss white, black, red: 449 €  walnut: 499 €

Vibration absorbing feet

Antiskating

Aluminium tonearm

## Debut Carbon EVO

Time for Evolution. We have taken our most popular turntable design and improved every aspect of it. The result is an incredibly refined product.

## 1.7 kg Platter

Heavy steel and TPE damped

We added a TPE (thermoplastic elastomer) ring on the inside of the platter. The result is an even quieter and noiseless operation with less wow and flutter.

## Suspension

Improved motor suspension

The Debut Carbon EVO features our newly designed motor suspension. We have improved the old design to consistently reduce the vibrations better than before.

## 33/45/78 RPM

Controlled playback speeds

Change replay speeds with the push of a button, the playback speed is electronically controlled with the utmost precision.

## Metal Feet

Damped & height-adjustable

The new Debut Carbon EVO stands on three height adjustable damped aluminium feet to guarantee the perfect stand.

## Debut Carbon EVO

Our most popular turntable design. Improved in every aspect.

<b>Cartridge</b> Ortofon 2M Red Elliptical stylus	<b>Tonearm</b> 8.6" carbon tonearm saphire bearings	<b>Drive Principle</b> Belt drive on sub-platter	<b>Speed</b> 33/45/78 RPM Electronic change
<b>Chassis and Platter</b> Made of resonance in-sensitive MDF, TPE damped steel platter	<b>Output</b> Phono out Gold plated sockets	<b>Included Items</b> Dust cover, felt mat, power supply, Connect it E	<b>Size and Weight</b> 415 x 95 x 330 mm (WxHxD) 5,6 kg (net)

### **Less vibration through droplet-form**

The RPM Line consists of our droplet-form turntables. This kind of form is known for less vibrations due to its build nature. The RPM Line also uses fully decoupled and separate motors for better sound.

## RPM 1 Carbon

Manual turntable with 8,6" carbon tonearm

<b>Cartridge</b> Ortofon 2M Red Elliptical stylus (MM)	<b>Tonearm</b> 8,6" S-shape made from carbon/alu	<b>Drive Principle</b> Precision belt drive decoupled motor	<b>Speed</b> 33/45 RPM manual change
<b>Chassis and Platter</b> High-gloss painted MDF, inverted platter bearing for reduced rumble	<b>Output</b> Phono Out	<b>Included Items</b> Felt mat, power supply, Connect it E (RCA cable)	<b>Size and Weight</b> 380 x 110 x 350 mm (W x H x D) 3.8 kg (net)

**Colour Options**    High-Gloss white, black, red: 499 €

## RPM 3 Carbon

Manual turntable with 10" carbon tonearm

<b>Cartridge</b> Ortofon 2M Silver Elliptical stylus (MM)	<b>Tonearm</b> 10" S-shape made from carbon/alu	<b>Drive Principle</b> Precision belt drive decoupled motor	<b>Speed</b> 33/45 RPM manual change
<b>Chassis and Platter</b> High-gloss painted MDF, inverted platter bearing for reduced rumble	<b>Output</b> Phono Out	<b>Included Items</b> Felt mat, power supply, Connect it E (RCA cable)	<b>Size and Weight</b> 422 x 118 x 373 mm (W x H x D) 5.5 kg (net)

**Colour Options**    High-Gloss white, black, red: 799 €

## RPM 5 Carbon

Manual turntable with 9" Evo tonearm

<b>Cartridge</b> Ortofon 2M Silver Elliptical stylus (MC)	<b>Platter</b> Acrylic	<b>Drive Principle</b> Precision belt drive decoupled motor	<b>Speed</b> 33/45 RPM manual change
<b>Chassis</b> A low resonance MDF/ carbon chassis holds a inverted platter bearing with ceramic ball.	<b>Tonearm</b> 9" cc EVO Carbon MM & MC capability TPE damped counter- weight	<b>Included Items</b> Felt mat, power supply, Connect it E (RCA cable)	<b>Size and Weight</b> 430 x 150 x 323mm (W x H x D) 8.0 kg (net)
	<b>Output</b> Phono Out		

**Colour Options**    High-Gloss white, black, red: 1.299 €

## RPM 9 Carbon

Highend turntable with 9" Evo tonearm

<b>Cartridge</b> Ortofon Quintet Bronze Nude fine line stylus	<b>Platter</b> 7.2 kg aluminium	<b>Drive Principle</b> Precision belt drive decoupled motor	<b>Speed</b> 33/45 RPM electronic change
<b>Chassis</b> MDF with hard resin coated steel pellets - special complex heat treatment and a carbon surface coating. Holds a inverted platter be- aring with ceramic ball.	<b>Tonearm</b> 9" cc EVO Carbon MM & MC capability TPE damped counter- weight	<b>Included Items</b> Power supply, Connect it 5P-CC (pho- no cable), record puck	<b>Size and Weight</b> 440 x 180 x 325 mm (W x H x D) 16.5 kg (net)
<b>Output</b> Phono Out			

**Colour Options**  n/c SRP 1.995 € | with Quintet Bronze SRP 2.295 €

## RPM 10 Carbon

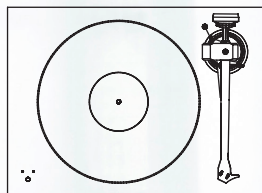

Highend turntable with 10" Evo tonearm

<b>Cartridge</b> Ortofon Cadenza Red Nude fine line stylus on alu cantilever	<b>Platter</b> 14.4 kg aluminium	<b>Drive Principle</b> Precision belt drive decoupled motor	<b>Speed</b> 33/45 RPM electronic change
<b>Chassis</b> MDF with hard resin coated steel pellets - special complex heat treatment and a carbon surface coating. Holds a inverted platter be- aring with ceramic ball.	<b>Tonearm</b> 10" EVO Carbon MM & MC capability TPE damped counter- weight	<b>Included Items</b> Ground it Carbon, record puck, power supply, Connect it CC (Modell 5P-CC)	<b>Size and Weight</b> Turntable: 480 x 210 x 330 mm (W x H x D) 22.0 kg (net) Ground it: 500 x 70 x 400 mm (W x H x D) 14,5 kg
<b>Output</b> Phono Out			

**Colour Options**   n/c SRP 3.500 € | with Cadenza Red 4.200 €

## The High-End Audiophile Experience

The X Line takes all our traditional designs to a new level. With experimental materials and mixes, we were able to get these special products to new heights. Special platters with exclusive chassis and cartridges enabled us, to deliver these world-class turntables.

## X1

Real High-End Features - True Audiophile Sound - Affordable Price

### Cartridge

Ortofon Pick it S2 MM  
Elliptical stylus (MM)

### Chassis

Massive and heavy  
MDF, painted with 8  
layers and hand-polis-  
hed finish in high-gloss  
white, high-gloss black  
or veneered satin real-  
wood walnut

### Platter

1.5 kg heavy acryl  
Stainless steel-bearing  
with soft brass bushing

### Tonearm

8,6" carbon/alu sand-  
wich tonearm, kardan  
ultra-low friction 4 pin  
point precision bearing,  
TPE damped counter-  
weight

### Output

Phono Out

### Drive Principle

Drive belt on sub-platter,  
isolated motor for less  
vibration and noise

### Feet

Height adjustable,  
black aluminium

### Included Items

Dust cover, felt mat,  
power supply,  
Connect it E (RCA cable)

### Speed

33/45/78 RPM  
electronic switch

<b>Output</b> Phono Out			

### Colour Options

High Gloss White, Black, Red, Olive, Mahagoni, Walnut, Palisander, Eucalyptus: 3.990 € n/c

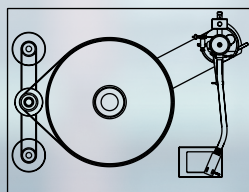

High Gloss Walnut Burl, Satin Walnut Burl: 4.590 € n/c

**Our Signature and Xtension turntables are now available in exclusive Walnut Burl finishes. They are produced in small numbers and on special request, so the availability will be limited.**

### **Chassis**

MDF with hard resin coated steel pellets  
- special complex heat treatment and a carbon surface coating.

## Pure luxury in every piece

The Signature line is the ultimate audiophile offering from us. A flagship in every sense, it is a must-consider product for any serious audiophile with a high budget.

## Signature 10

Highend turntable with single-pivot tonearm.

**Cartridge**  
not included (n/c)

**Chassis**  
Piano-lacquer chassis with magnetic decoupling or veneered with walnut burl satin or high-gloss.

**Platter**  
10.1 kg heavy acryl  
Stainless steel-bearing with soft brass bushing

**Tonearm**  
Single-pivot tonearm in high gloss metal surface

**Output**  
Phono Out

**Drive Principle**  
Motor control system for perfect speed stability

**Feet**  
Height adjustable, black aluminium

**Included Items**  
Connect it CC (Modell 5P-CC)  
Record puck, gloves, spirit level...

**Speed**  
33/45 RPM  
electronic switch

**Size and Weight**  
475 x 195 x 354 mm  
(W x H x D)  
22,6 kg (net)

**Colour Options**

Piano Black, Olive, Mahagoni: 4.990 € n/c

High Gloss Walnut Burl, Satin Walnut Burl: 5.490 €

## Signature 12

An audiophile marvel, that represents our championship in precision engineering.

**Cartridge**  
not included (n/c)

**Chassis**  
Piano-lacquer chassis with magnetic decoupling or veneered with walnut burl satin or high-gloss.

**Platter**  
10.2 kg heavy acryl  
Stainless steel-bearing with soft brass bushing

**Tonearm**  
Single-pivot tonearm in high gloss metal surface

**Output**  
Phono Out

**Drive Principle**  
Motor control system for perfect speed stability

**Feet**  
Height adjustable, black aluminium

**Included Items**  
Connect it CC (Modell 5P-CC)  
Record puck, gloves, spirit level...

**Speed**  
33/45 RPM  
electronic switch

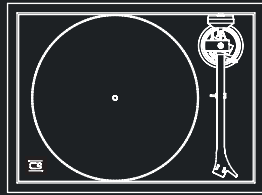

**Size and Weight**  
570 x 440 x 234 mm  
(W x H x D)  
34,6 kg (net)

**Colour Options**

Piano Black, Olive, Mahagoni: 9.500 € n/c

High Gloss Walnut Burl, Satin Walnut Burl: 10.100 € n/c

### Artist Collection

The Artist Collection is a series of turntables that was created in collaboration with various respected national and international artists. Audiovisually convincing products were created, which amaze fans worldwide. Some of these art pieces are only available in limited editions and may therefore be out of stock in some cases.

## The Beatles Yellow Submarine

---

- Unique special Yellow Submarine look • Belt-drive with synchronous motor
- Ortofon Concorde quality pickup • Vibration absorbing feet • Glass platter
- Rigid MDF chassis • Highly precise and light aluminium tonearm • Sapphire-tonearm bearing • Gold-plated contacts • Silicon belt with optimum dampening
- Dimensions: 500x120x400 mm (WxHxD)
- Weight: 4.5 kg net

449 €

## Essential III Sgt. Pepper's Drum

---

- Special edition of Essential III • Acrylic platter • Belt drive with synchronous motor and silicone belt • Diamond cut aluminium drive pulley • Chassis made of resonance in-sensitive MDF • Integrated DC-powered motor control minimizes motor vibration and guarantees speed stability • Low tolerance platter bearing with stainless steel spindle • 8.6" aluminium tonearm with sapphire bearings • Ortofon OM10 cartridge pre-mounted • High-quality semi-balanced Connect it E phono interconnect with gold-plated RCA connectors included • Special decoupling feet
- Dust cover included • Dimensions: 420x112x330mm (WxHxD) • Weight: 5.0 kg net

499 €

## The Beatles 1964 Record Player

---

- Special edition of Debut Carbon Esprit SB • Limited to 2500 pieces worldwide
- 33/45 & 78rpm out of the box • Built-in precision Speed Box with switch on upper side • 8.6" carbon tonearm • Heavy non resonant acrylic platter • DC power supply with synchronous AC motor • TPE motor suspension • Magnetic cartridge 2M red from Ortofon • High-quality semi-balanced Connect it E phono interconnect with gold-plated RCA connectors included • Special decoupling feet • Dust cover included • Dimensions (lid closed): 415x118x320mm (WxHxD) • Weight: 4.9 kg net

650 €

## 2Xperience Sgt. Pepper

---

- Special version of 2Xperience SB • Limited run of only 1000 pieces worldwide
- Electronic speed control with 33/45 rpm speed change, which acts as "Speed Box" with ultimate speed stability • Precision balanced sandwich-platter with vinyl mat
- Record clamp tightens record to platter • MDF chassis • Audiophile grade 9" EVO carbon tonearm • Inverted tonearm bearings (ABEC 7 quality) • 2M Silver cartridge with silver voice coils is pre-mounted • Dimensions: 460x133x360 mm (WxHxD)
- Weight: 8 kg net

1.399 €

## 2Xperience The Beatles White Album

---

- Special version of 2Xperience SB • Limited run of only 500 pieces worldwide • Belt drive with synchronous motor and silicone belt • Electronic speed control with 33/45 rpm speed change, which acts as "Speed Box" with ultimate speed stability • Heavy acrylic platter • Diamond-cut drive pulley • Included record clamp tightens record to platter • Resonance optimised MDF chassis in white mat • Audiophile 9" Evo aluminium tonearm • Inverted tonearm bearings (ABEC 7 quality) • 2M White cartridge pre-mounted • Dust cover included • Dimension 460 x 133 x 360 mm (WxHxD) • Weight: 8 kg net

1.499 €

## George Harrison Recordplayer

---

- Special edition of Essential III • Limited to 2500 pieces worldwide • Acrylic platter • Artwork by respected streetartist Shepard Fairey • Belt drive with synchronous motor and silicone belt • Diamond cut aluminium drive pulley • Chassis made of resonance in-sensitive MDF • Integrated DC-powered motor control minimizes motor vibration and guarantees speed stability • Low tolerance platter bearing with stainless steel spindle • 8.6" aluminium tonearm with saphire bearings Ortofon OM10 cartridge pre-mounted • High-quality semi-balanced Connect it E phono interconnect with gold-plated RCA connectors included • Special decoupling feet • Dust cover included • Dimensions: 420x112x330mm (WxHxD) • Weight: 5.0 kg net

499 €

## Ringo Starr Peace & Love Turntable

---

- Special edition of Essential III • Artwork designed by Ringo Starr himself • Acrylic platter • Belt drive with synchronous motor and silicone belt • Diamond cut aluminium drive pulley • Chassis made of resonance in-sensitive MDF • Integrated DC-powered motor control minimizes motor vibration and guarantees speed stability • Low tolerance platter bearing with stainless steel spindle • 8.6" aluminium tonearm with saphire bearings • Ortofon OM10 cartridge pre-mounted • High-quality semi-balanced Connect it E phono interconnect with gold-plated RCA connectors included • Special decoupling feet • Dust cover included • Dimensions: 420x112x330mm (WxHxD) • Weight: 5.0 kg net

499 €

## Rolling Stones Recordplayer

---

- Unmistakable artwork • Belt drive with synchronous motor and silicone belt • Chassis made of resonance in-sensitive MDF • Integrated DC-powered motor control minimizes motor vibration and guarantees speed stability • Low tolerance platter bearing with stainless steel spindle • 8.6" aluminium tonearm • Ortofon OM10 cartridge pre-mounted • High-quality semi-balanced Connect it E phono interconnect With gold-plated RCA connectors included • Special decoupling feet • Dust cover included • Dimensions: 415x118x320 mm (WxHxD) lid closed • Weight 5.5 kg net

375 €

## Essential III Demon by Parov Stelar

---

- Limited edition "The Demon Diaries" design • Belt drive with silicone belt • Low vibration synchronous motor • Integrated motor control with DC power supply ensures silent running • Main platter bearing made from stainless steel runs in bronze bushing with Teflon bottom • 8.6" aluminium tonearm with sapphire bearings
- Ortofon OM5e cartridge, pre-mounted • Pre-mounted gold-plated RCA interconnect cable • Special turntable feet for effective decoupling • Dustcover included • Dimensions: 420x112x330 mm (WxHxD) • Weight: 4.0 kg net

359 €

## PS01 - Wave by Parov Stelar

---

- "Must have" for fans of Parov Stelar and vinyl • Exclusive design with 7 printing layers • 8.6" carbon tonearm • Heavy non resonant acrylic platter • DC power supply with synchronous AC motor • TPE motor suspension • Magnetic cartridge 2M Red from Ortofon • Hightech damping feet made from TPE for up to 20% higher listening levels without distortion • Dust cover included • Dimensions (lid closed): 415x118x320 mm (WxHxD) • Weight: 4.9 kg net

550 €

## PS00 - Frida by Parov Stelar

---

- "Must have" for fans of Parov Stelar and vinyl • Exclusive design with 7 printing layers • 8.6" carbon tonearm • Heavy non resonant acrylic platter • DC power supply with synchronous AC motor • TPE motor suspension • Magnetic cartridge 2M Red from Ortofon • Hightech damping feet made from TPE for up to 20% higher listening levels without distortion • Dust cover included • Dimensions (lid closed): 415x118x320 mm (WxHxD) • Weight: 4.9 kg net

550 €

## Hard Rock Café Turntable

---

- Unique Hard Rock label artwork • Instant playback with super-easy setup • Pre-adjusted tracking force & anti-skating force • Ortofon OM5e cartridge, pre-mounted • 8.6" aluminium tonearm with sapphire bearings • Belt drive with silicone belt • Low vibration synchronous motor & DC power supply • Pre-mounted gold-plated RCA interconnect cable • Special turntable feet for effective decoupling • Acrylic lid included
- Dimensions: 420x112x330 mm (WxHxD) • Weight: 4.0 kg net

349 €

## Hans Theessink Recordplayer

---

- Special edition of Essential III • Acrylic platter • Belt drive with synchronous motor and silicone belt • Diamond cut aluminium drive pulley • Chassis made of resonance insensitive MDF • Integrated DC-powered motor control minimizes motor vibration and guarantees speed stability • Low tolerance platter bearing with stainless steel spindle • 8.6" aluminium tonearm with sapphire bearings • Ortofon OM10 cartridge pre-mounted • High-quality semi-balanced Connect it E phono interconnect with gold-plated RCA connectors included • Special decoupling feet
- Dust cover included • Dimensions: 420x112x330mm (WxHxD) • Weight: 5.0 kg net

450 €

## Primary DelaDap Wave

---

- Belt-drive with synchronous motor • Special artwork by DelaDap • Ortofon OM5e pickup • Vibration absorbing feet • CNC'd special composite fibre chassis • Highly precise and light aluminium tonearm • Sapphire-tonearm bearing • Gold-plated contacts • Stainless steel bronze bushing • Elegant dustcover with adjustable hinges
- Silicon belt with optimum dampening • Dimensions: 420x112x330 mm (WxHxD) • Weight: 4.0 kg net

399 €
